DIRECTOR'S MESSAGE

The mantra of Yahvi Aura Events is its Uniqueness. Uniqueness in terms of the kind of exotic work, timely delivery, to gel according to your needs, to know your mind before you speak is how it makes it different.

We are not only here to do business but also to make extended relationship with each and every special person who connects with us. Having said that we give importance your time particularly when it comes to class of work because it will brand your and our name in the marketplace. At YAHVI AURA EVENTS as the name means "HEAVEN" , you will feel the same Aura when you finally enter the event.

Coming from the sales and multicultural background of 12 years, interacting with all level of people from different countries have bought this idea of starting my own event management company where we strive to bring India's most valuable and amazing places for organising your events like Corporate Events, Seminars & Political Meets, Conferences and the most important Indian Style Weddings in some of the historical palaces.

~SEMINARS ~

Yahvi Aura Events have a team of dedicated professionals who can devote themselves to provide you with ultra modern seminar events.

One of our team member who will be a senior professional will look after each and every component of your seminar event by planning from registration to on-site event management. On the whole we provide our wide ranging support for all aspects of your event.

We provide latest technology lighting, audio and production for your seminars along with spectacular visualisations to impress your audience. Our logistics management team takes care of all the intricate dynamics and details of your seminar from venue right through to the core management.

We can create a real difference to your participants by our extensive seminar support services.

~ CONFERENCES ~

Conferences are a major event in company calendar, and much time and effort is invested to make sure conferences and their connected events fulfil their objectives and bring people together, in a program that can stretch across a number of days. Usually, teams see each other only once a year and so possibilities to get the messaging appropriate and create unforgettable experiences need to be understood and conveyed clearly. Yahvi Aura Events has worked with several corporate clients, in providing information, assistance and experience for all their conferencing requirements.

We can do the event management to develop a unique conference identity with proper development of content and detailed event planning that can include :

- ✓ Venue sourcing and delegate accommodation booking
- ✓ Program development and engagement of guest speakers and facilitators
- ✓ Development of conference visual identity and design
- ✓ Management of all audiovisual requirements
- ✓ Onsite event management as a member of your team
- ✓ Styling and themeing of supporting conference special events, including Welcome Cocktails, Gala Dinners and Award Nights.

~ INDIAN STYLE WEDDINGS ~

The **Indian Style Weddings** are extravagant and lavish these days, the weddings have become a grand affair and have become more elaborate. We at Yahvi Aura Events have a competent team of experienced consultants who sits with the our clients to thoroughly discuss and understand the requirements, preferences, and expectations. We work closely with the clients in the planning process and take into consideration the personal vision of our clients and translate them into the imposing and elegant event.

At Yahvi Aura Events we offer a comprehensive range of services and plan the entire wedding from the beginning to the end ensuring impeccable service. We come up with unique and refreshing wedding concepts and themes for the wedding and helps in taking important decisions in booking the venue, wedding venue decoration, gift selection, wedding card selection, entertainment, ceremonies preparation, food and beverages arrangement etc. additionally, our team is always ready to assist and make changes in planning the arrangement creating the celebrations grand for the very special day.

~ DELEGATION MEETS ~

We at Yahvi Aura Events have a wealth of experience in delivering robust delegate management solutions that ensure your delegates are looked after from initial invitation to on-site management to post event discussion. We recognise that engaging with the audience in the right way is critical to setting the tone and mindset for meeting and achieving the overall event objectives. Delegate satisfaction is a vital part of delivering a successful event but seamlessly organising event logistics is a time consuming job. We take away your worry. Ensuring your delegates get the information they need via:

- ✓ Dedicated multi-lingual registration teams
- ✓ Social media strategies
- ✓ Event apps
- ✓ Intelligent RFID badging
- ✓ Onsite communication

Our systems have the ability to accept multi-currency payment in a secure environment and we are extremely conscious of data protection and security of date.

~ POLITICAL MEETS ~

Political meets of high value conferences and global summits as a practice involve VIP involvement from national and international ministerial delegations and at times heads of states such as the President and Prime Minister etc. The protocols have to be rigorously adhered to and all necessary government licenses/permissions and approvals have to be timely obtained to ensure that there are no last minute regulatory and procedural hurdles or embarrassing situations.

Cooperation and planning related to security for such events also has to be undertaken and often requires synchronisation with government security agencies and local police. Yahvi Aura Events team is well versed with all such protocols and security liaison services. We not only fulfil the statutory requirements but also anticipate and identify any such requirement that might generally miss the eye.

~ EXHIBITIONS ~

Yahvi Aura Events offers you the facility to showcase your products and services directly in front of the consumers, our event management team offers you personalised and customised event management services that are finely tailored to create a unique visual environment. The idea of exhibition is to set a pre & post evaluation product review session to gain precision and audience attention therefore our exhibition management experts cater to diverse requirements of our clients by delivering highly satisfactory services that drive maximum Attention, Visualisations & Awareness as they are interactive, vibrant and dynamic.

The team at Yahvi Aura Events organises memorable exhibitions by portraying exactly the requirement replica of the client as we focus on the motive behind the exhibition and then synchronise our creativity so that it could be more expressive & self-explanatory so that your client's be pleased about it for long since ours is a group of dedicated experts rated top among the devoted event management companies in India who emphasise on inspiring visitors.

What some of our clients say

“Honest, approachable, proactive, customer focused, up for a challenge. They deliver beyond expectation”.

“We have no hesitation in recommending them to anyone interested in delivering high quality events efficiently and effectively”.

“Professional, friendly and very easy to deal with. Everything went smoothly, brilliant event!”.
